

# Environmental Research Webinar

**OCT 26** (Tuesday)

**12:00-12:50 PM**

**ZOOM**

[HTTPS://UMICH.ZOOM.US/S/95313929320](https://umich.zoom.us/j/95313929320)

**Sean Harris, PhD**

Research Assistant Professor  
UM SPH Environmental Health  
Sciences

The Trichloroethylene Metabolite  
S-(1,2-dichlorovinyl)-L-cysteine  
Suppresses Inflammatory Pathways  
in a Macrophage Cell Model:

*Implications for Immunosuppression  
During Pregnancy*
